

<b>Community Organisations</b>	<b>Businesses / Industries</b>	<b>Local Schools</b>

1. Why do you want to establish a community partnership?
2. What sort of activities will engage your students?

What interests within your student group need to be catered for?

3. List the community organizations, businesses/industries and local schools that may be able to offer the types of activities and cater for the range of interests within your group.
4. For each organisation:
  - What can they offer through any partnership?
  - What will they receive?
  - What do you want your role to be in the partnership?
5. Can any of these organizations assist you in your aim of achieving Goal 1?
